ONE-COAT EXTERIOR STAIN & SEALER

ALL-WEATHER DEFENSE

STAIN IT & LOVE IT... FASTER.

Valspar® Exterior Stain & Sealer gives you the beautiful finish you want, plus complete all-weather defense against harsh sun, rain, snow and ice in one, easy-to-apply coat.

Don't forget to prep.

Valspar Fast Acting Deck Cleaner treats and prepares decks, fences, outdoor furniture and other exterior surfaces for superior stain penetration, even results and longer-lasting protection. Always use a cleaner before staining or waterproofing.

FAST ACTING DECK CLEANER

Removes dirt, mold & mildew in ten minutes with virtually no scrubbing.

ALL-IN-ONE WOOD PREP

Prepares the surface by restoring and brightening wood's natural color.

FAST ACTING WOOD STRIPPER

Ready-mix formula safely removes exterior and latex finishes.

HELPFUL TIPS

Avoid staining on humid or extremely hot days.

Apply stain by brushing in the direction of the grain.

High-quality Valspar Stain Brushes were specially made for the task.

Blend stained and unstained sections while still wet.

Allow stain to dry completely (24 hours) before walking on deck.

LOVE YOUR OUTDOORS.

Decks, fences, porches, patios, even outdoor furniture — Valspar Exterior One-Coat Stain & Sealer beautifies and protects them all, and in less time, with perfect coverage in a single coat.

valspar®

Colors shown are as accurate as digital printing can make them. But ink fades over time — and the wood you're staining affects the project's final color — so always test stain color in an inconspicuous spot before staining.
